Contribute

Make a contribution towards making products more accessible and affordable to A.D.A. affected hams and Veterans with little to no means of affording what we build.

All contributions directly apply to our *Make an Offer program when an A.D.A. or Veteran is in need of anything we build.

*The ‘Make an Offer’ program was born out of our purpose to make products available to people who could not afford full price.

Additionally, Alpha Antenna pays all fees, taxes, and all processing or administrative overhead on behalf of any donation.

Respectfully,

Steven Deines, Founder

Alpha Antenna
